Commander's Report

Our District 22 Spring Conference was well represented by our Squadron. This year, Cape Coral was the lead squadron for the Hospitality Event on Friday, April 13th. A big thank you to Lt/C Jill Berger, Ken Berger, Lt/C Steve Parris and Lt. Bev Parris for helping to make this an enjoyable evening for all those who attended. I heard many positive comments. On Saturday, April 14th, fifteen of our members attended the morning seminars and afternoon conference. I'd like to thank everyone who attended and represented our squadron as delegates at the Conference. I accepted the following awards for our squadron and congratulate all the members who worked toward earning these achievements!

Distinctive Communicator Award for our Website

Distinctive Communicator Award for The BUDYS

Cruise and Rendezvous Attendance Award, 1st place

Vessel Safety Check Award, 2nd place

Outstanding Publication Award, 3rd place

District Fall C&R Host Squadron Award

Executive Department

It is not too early to start planning for events next fall. October will be here before you know it. The German American Social Club will hold their annual Oktoberfest October 19 through October 21 2018 and October 26 through October 28 2018. The squadron will direct traffic on the grounds and park cars. The shifts will be as follows:

Friday night		4:00pm to 8:00pm
Saturday	first shift	12:00pm to 4:00pm
	second shift	4:00pm to 8:00pm
Sunday	first shift	12:00pm to 3:30pm
	second shift	3:30pm to 7:00pm

The shifts will be the same for both weekends. Last year the German American Social Club gave us \$3,000 for our efforts. This is a substantial fundraiser for the squadron, and helps us pay for our building, provide boating education, and our many social activities. Contact Steve Parris at stevenparris@icloud.com with a shift you are willing to work

Lt./C Steve Parris, S

Pictured below is the ham radio setup at Squadron headquarters. In the April Buoy, I discussed the process of getting our squadron up and running. If you have an interest, come to Squadron Harbor or contact me for more information at stevenparris@icloud.com

Education Department

ABC class's continue on a monthly basis Ted Dawson (Lead), Bill Harris and Tom Dawson (assist)

Seamanship will be starting on May 7th Dan Patke (Lead)

Advanced Piloting class Started on March 20th Ray Wlodkya (lead) and Rick Clements (assist)

Vessel Safety Inspector Training

Seven of the ten new inspectors have completed their one on one training with certified inspectors. Thanks to all that help with the OJT training.

Instructor Development

We had 18 instructor take the instructor recertification class thanks to Commander Marge for being the lead. Thanks to all that participated.

A number of us attended the District meeting educational seminar lots of changes are coming will keep post-ing changes as they are implemented.

On-The-Water training Randy Headrick (lead) is gaining momentum if you are new or need a little refresher contact Randy see flyer in the Buoys.

On the Power Squadron web site is a list of Advance and Elective class's if anyone is interested in taking one of these lets us know we will set up a class.

We are looking forward to another great year in education

SEO Lt./C Bob Meier, SN

THE BUOYS

THE BUOYS publishes issues monthly except for July and August, by the Cape Coral Sail and Power Squadron, Inc. The Cape Cor-al Sail & Power Squadron is a unit of District 22 of the United States Power Squadrons, Inc. Opinions expressed by individual au-thors do **not** necessarily reflect USPS or Cape Coral Sail & Power Squadron policy or endorsement.

Material for publication must be received by the editor **no later than the 10th of the month** prior to publication.

The editor reserves the right to modify materials submitted for publication. We appreciate your articles and inputs. Please make sure the information submitted to THE BUOYS is correct. All articles will be edited to assure conformity with USPS® regulations and guidelines.

The Editor

Administrative Officer

Administrative Officer report - May

Summer is fast approaching and many of our friends have already started flying north. We will miss them and await their return in the fall.

We have new furniture in the office! Come check out our new light, casual, nautical look. This new look is congruent with the new America's Boating Club branding that is being promoted by USPS. One of the main themes at the USPS annual meeting in Orlando, the District 22 Officer Training meeting in Palmetto, and the District 22 Spring Conference in Punta Gorda, was the new America's Boating Club branding, and how squadrons can, and should, make the transition to the new brand. Our Executive Committee approved the appointment of a small ad hoc committee to oversee the transition for our squadron to America's Boating Club, Cape Coral, including changes to logos, letterhead, apparel, business cards, name tags, procedures, written material, website and more. It will take months to completely make this transition. Note that we are still Cape Coral Sail and Power Squadron; we are simply making our name easier to understand, and making our public image more appealing to potential new members. For more information on the new brand and what it means to us, see the America's Boating Club article in the Buoys.

Lt./C Jill Berger, S

My **Help Wanted** focus this month is on Lite Bites. We have volunteers lined up for our May and June general meetings, so we are starting to recruit for September. Lite Bites is a simple meal served prior to our general meeting each month. As suggested, it is a lite, simple meal prepared and served by volunteers. There is a budget for the meal so it does not cost the hosts any money, only time. The club provides paper products. If you would be willing to host a Lite Bite meal, please contact Bev Parris, 502-876-8815 or bevparis629@gmail.com.

Fishing Group had a group discussion of spring fishing opportunities around the area. Member Josh Cook gave a great report on his inshore and offshore trips, and there was a Q & A on fishing spots, red tide and such.

The Kayakers experienced wind chill 85 degrees and a Carolina blue sky. That was the setting for our kayak trip to Bunche Beach on April 17th. Hurricane Irma had altered the landscape somewhat, and it was exceptionally low tide, so we had to improvise. Our good natured group

never complained about the challenge of ducking and dodging mangrove branches and roots on the remodeled trails. We traveled less than two miles, but still had plenty of action, including an in-the-water effort to move fallen branches and maneuver kayaks. But, as before, the magnificent private beach was still intact, a place to wade and relax for lunch.

In May, we will shoot for an up-the-creek destination, one of our favorites. New paddlers are always welcome. Contact Dee Wilzoch (239-573-1295) or Gary Brooks (239-233-6716) for information.

Cruise and Rendezvous group had a less than optimal trip to Fisherman's Village. For various reasons, several boats had to drop out of the trip. Then, one of the five boats that made the trip had mechanical problems and had to leave the next day. Another boat left a day earlier than expected, also. As any boater knows, even the best-laid plans can go awry. With the annual long trip coming up in May, things can only get better! Have fun!

AMERICA'S BOATING CLUB®
For Boaters, By Boaters™
 By Lt/C Jill Berger, S

How many times have you talked about the Cape Coral Sail and Power Squadron to friends and gotten a blank look? You can almost see the wheels turning as they wonder, "What is a squadron? What does power mean?" Our name does not resonate with the public as a boating organization. The word "Sail" was added several years ago to help people understand that the organization relates to boating, but that one word often "sails" right over their heads.

Our traditional promotional image is not working to attract new members, or to promote our superb boating education to today's boaters, who believe that they can learn what they need online or through experience. Today's boaters tend to have smaller boats, and they often boat on rivers and lakes. They enjoy water sports, fishing and hunting. They have busy lives and fit boating into their lifestyle. They are technologically savvy. We need to update our image in order to appeal to today's boaters. Our new image must identify who we are and why someone should be interested in us. It should involve fun, action, togetherness and a dynamic learning experience, both formal and informal.

Thankfully, the United States Power Squadrons® has trademarked an alternate brand – America's Boating Club® - which will help us connect better to the boating public. You have already started seeing the new America's Boating Club logo in the Buoys and on some of our other written materials. Our squadron has recently taken the added step of adding Cape Coral to the logo. There is a banner that we will use horizontally across a page, as well as a vertical logo for use in smaller areas.

in our education methods to provide dynamic learning experiences, including more on-the-water training. The new logo incorporates the ship's wheel and a forward-looking graphic, indicating sail, power and manually powered boats and flowing water. It also uses the USPS colors. We have added the traditional USPS ship's wheel to the new horizontal logo to help members make the transition.

The new logos and marketing efforts are only the beginning. We have to "Live the Logo". We must continue to be welcoming and inclusive. We must make a concerted effort to help newcomers feel comfortable. We must be proactive in our efforts to "plug them in" to our organization in a way that promotes their goals and helps them learn who we are and what we do to enjoy the boating lifestyle together. We must be creative. As the largest squadron in the country, we have an obligation to embrace the new image and reflect it in our actions. We are, after all, America's Boating Club of Cape Coral.

DEL-

WELCOME.....

C&R, Weekenders, Kayak Group, Fishing Group, Scuba are groups within the Cape Coral Sail and Power Squadron. You don't need to join in the activities of just one group. You may have a day boat and figure that the C&R is only for sleep -aboard boats. Not true!!! There are some cruises where members stay in the available lodging such as T'ween Waters, South Seas, Pink Shell. or drive over for the day. There are also monthly luncheons with the C&R just a short drive or take your boat. It's a great way to meet up with friends, learn the local waterways and try out some new restaurants.

The Weekenders usually have an informational meeting each month followed by a Saturday cruise to a local restaurant. Even if you don't have a boat, you can still attend the meeting and make sure you are receiving their email blast about the upcoming trip. You may drive your car to the restaurant or maybe able to go on someone else's boat.

Don't have a kayak? The kayak group usually meets at a location where you can rent a kayak. What better way to learn than with a bunch of safety minded boaters.

You will find contact information throughout this newsletter. If you want to learn about fishing in the local waters, get in touch with the fishing group. Same with Scuba, just make contact to explore what the Squadron has to offer. Feel free to attend the meetings for any group.

Cape Coral Sail and Power Squadron
Presents
Our Small Boat Maneuvering Courses
You get both classroom and “On-The Water” Training

No matter what kind of boat you have our “Seamanship On-The-Water course” or the new “Small boat maneuvering Course” will teach you how to boat safely, and have more fun on the water.

We now provide a combination of classroom and On-The-Water (OTW) training programs designed to teach you the basics of boating safety on the water. You will learn and practice docking, boat handling underway, and much more.

Option 1. For new squadron members who **have a boat** and desire some basic boat maneuvering skills, we now offer **On-the-Water training for our Seamanship class graduates**. Take Seamanship and sign up for the **On-The-Water** training and we will provide hands-on training on any of the skills you learned in Seamanship **on you in your own boat**. This training is designed for boat owners who would like a little “hands” on boat maneuvering training following the Seamanship course. There is no additional charge for this training and it is open to all Seamanship class graduates.

Option 2. For squadron members who do **NOT** already own a boat, OR might be uncomfortable training in their own boat, but still desire hands-on boat training the Squadron now offers a 3-4 hour classroom “What to Expect” training session in preparation for a 3-4 hour on-the-water hands on session. Once members have completed our classroom training session they are partnered with a Captain from the Freedom Boat Club (FBC) for the on-the-water training session. The on water training is carried out on a FBC vessel that is fully insured and under the guidance of a qualified boat Captain. Membership in the FBC is not required for this training.

Fees – Including workbook, the classroom preparatory session and the on-the-water training session;

Single Student Charge \$125

Couples charge = \$230

Note: FBC does not provide this training to the public. You must be a member of the Power Squadron to qualify for this training.

For more information contact Randy Headrick, RDHeadrick@usa.net,

301-997-8832 or sign up in the Squadron office Mon-Sat 0900-1200

Life Jacket Loaner Program

D/22 C&R to Little Harbor

Clarification for those who wish to arrive by boat.

First – Tommy is the right person to ask for at 813-645-2288. If it is more convenient people can email him at lhmarina@tampabay.rr.com

You must be ready to provide all of your information. LOA – power needs – water – time/day in – time/day out – draft – beam - preference Port or Starboard tie.

There are 2 Marinas and a Sea Wall that are used for dockage.

1 - For those who want to bring their boat but stay in a rented room (Harbor Side) and (Little Harbor INN) (LHI - may be sold out) they get a free slip along the Sea Wall. To get that slip however they must call the (Dock Masters) office ask for Tommy and he will assign you a slip. You must supply him with your room reservation number. The depth along the Sea Wall is 3-5 feet only.

2 – Village Marina – This is the first Marina they will assign slips to on a first come first serve basis for overnights.

3 – Antigua Cove – This is the furthest away Marina and it is about a 10- 15 minute walk to the restaurant. You will know this location because of the high rise inside storage building.

Tommy will use this Marina for back up once he runs out of slips at Village Marina. Between Village Marina & Antigua he hopes to have about 25 slips available.

They are asking that we wait till **August 1st.** to start making **slip reservations.**

4 – When heading to Little Harbor coordinates are Lat/Lon – 27°43.583’N/ 082°28.517’W
Harbor Master monitors channel 16 then will ask you to go to channel 72.

ONCE YOU MAKE YOUR RESERVATION FOR A SLIP PLEASE DROP BUD LOMASTRO AN EMAIL ADVISING HIM – suebudfl@verizon.net

D22 2019 EASTERN CARIBBEAN CRUISE

7 days: Sun, 24 February – Sun, 3 March 2019

7 days roundtrip from

Port Canaveral on Royal Caribbean’s OASIS OF THE SEAS

Itinerary: Nassau, Bahamas; Charlotte Amalie, St Thomas; Philipsburg, St Maarten

GROUP PRICING* FROM \$729pp Inside stateroom from \$729pp Outside stateroom from \$849pp Balcony from \$999pp *OR TAKE ADVANTAGE OF CURRENT PROMOTIONAL PRICING TO RECEIVE EVEN MORE PERKS!

Price does not include \$114 pp taxes & port fees. Travel protection & transfers are additional. Are you ready for a whole NEW ADVENTURE?

If you’ve ever wanted to try one of those unbelievable mega ships-NOW is the time! The ship is a complete destination in and of itself so even if you’ve been to these ports before, you will still have PLENTY to see and do. The best part is you will be able to share the fun with fellow members, friends and family if you join us!

One of the other benefits is the ship embarks from Port Canaveral so transportation is much easier for both those who drive in and those who are flying into Orlando-now they can fly round trip (charter bus service will be available)

THIS CRUISE WILL BE DEPARTING IMMEDIATELY AFTER THE 2019 ANNUAL MEETING SO BE SURE TO SIGN UP NOW FOR BEST AVAILABILITY AND PRICING

PLEASE NOTE: IN ORDER TO PARTICIPATE IN GROUP EVENTS, ECKHART Please email Dawn Eckhart (727) 403-0406 to join our group on

RECEIVE GROUP BENEFITS & PARTICIPATE IN GROUP EVENTS. EVERYONE MUST BOOK THROUGH DAWN ECKHART at dawnstraveldeals@gmail.com or call this fun-filled cruise!

Free Evaluations, Highest Grade

Materials and Structure

In an effort to keep our facility ready for parties and health inspectors we would like to put a few teams together to work on our kitchen. 2-3 people per team would work well. Time involved would be 2-3 hours per cleaning. We would like to schedule clean-ups twice a month, dates and times are flexible. The more volunteers we get, the fewer times a team will be on the rotation.

Please send your name and contact information to me ASAP.

Feel free to form a team and let me know you would like to work together.

It's also a good way to earn Merit Mark Credit.

Thank you in advance for any assistance you can provide.

Lt. Rick Clements, Building Manager

WEEKEND BOATERS (The Weekenders)

The 'Weekenders' are members of the CCSAPS who take lunch trips by boat to various on-the-water restaurants on Saturdays (for those who can't go during the week).

Our 'follow me' trips are a great way to learn the local waters and practice safe boating.

The planning meetings are held on the Monday evening before the Saturday trips. These planning meetings offer additional boating instruction and great conversation. Come join us. Let's talk!

Please look for our meeting dates on THE BUOYS calendar.
